October 17, 2020

Greetings Sorors:

Let me start by sending **Pretty Poodle Shout Outs** to our Alpha Sigma family! Sorors, as this new sorority year is well underway, we are on fire for Sigma and it is showing up in your high levels of engagement across Sigma land! Alpha Sigma has been providing leadership at all levels and we have actively participated in our CR Indiana Area Meeting, CR Day of Training, Get Out the Vote campaigns, Community Service events, Workshops, Committee meetings, etc. Thanks to each of you for "Leveling Up" and allowing your Sigma light to shine!

As you will note in the Composite, we have a lot to celebrate with our focused retention and reclamation efforts! Currently, we have 100 active Sorors and I know this is just the beginning with the REIGNITE 22 Campaign ramping up. Let's make sure to leverage our **Sisterly Sigma Circles** to strengthen and deepen our sisterly bonds across our sisterhood!

ICHQ is currently reviewing options to launch our 2021 Boule and Centennial registration simultaneously in January 2021. Originally, registration was scheduled to open on October 1st, but additional consideration has been provided to allow members and affiliates to finalize submission of their dues. Stay tuned for more information.

As a reminder, please do not forget to log your service hours to support our Centennial Goal attainment! There are several upcoming virtual service opportunities being sponsored by ICHQ, so plan to take advantage of these service virtual experiences, as well as our initiatives across Alpha Sigma. Consider having a "watch party" with your **Sisterly Sigma Circle**!

Now that Chapter One (September) is completed, how are you shifting your focus to write your Chapter Two for October? I can't wait to hear more about your story, which will become our story as we **"Build Our Sisterhood for the Future"**.

Greetings Sorors!

Alpha Chapter is in planning for a virtual Founder's Week! Soror Ivory is conceptualizing her final details on what she wants this process to look like. Once approved by the university, details will be sent to the chapter.

In the works: Soror Ivory has updated the chapter website and is now working on a detailed Alpha Chapter History piece for the new site. She will be working with Alpha Chapter Alum to get photos of sorors and different events to create an online scrapbook. If you happen to have any photos from Alpha Chapter's past that you do not mind sharing please send to me.

Look out for: Alpha Chapter's reveal for virtual Founder's Week theme and events. All approvals should be completed by the end of the month so that the marketing can go out.

I just want to ask for patience as it is taking a bit longer to get events approved through the university. With all student organizations utilizing the online platforms, it makes it difficult to get these approved quickly. So, Alpha is WORKING, progress is just taking a bit longer.

Thank you for your continued support!

Sisterly,

TaMeca N. Joshua

Recommendations

We are currently taking recommendations for National, Regional and local Bylaws, SOP, Standing Rules etc. Current deadline to submit recommendations will be **October 31st** at 11:59pm. Please submit recommendations to alphasigmaparliamentarian1922@gmail.com. Future deadline dates are forthcoming.

****Kathy's Knowledge Base****

Main Motion: A formal proposal by a member, in a meeting, that the group take certain action. Only one main motion may be before the assembly for action at a time. Note: Secondary motions (Subsidiary Motions, Privileged Motions and Incidental Motions) take precedence over main motions.

Example:

The meeting has just started discussing New Business*. Mrs. Orange has an action she believes the organization should take in supporting another organization. In order to bring her idea before the organization during the meeting, she must make her motion.

Mrs. Orange: I move that we donate \$200 to the Girl Scouts of America's Cooking Challenge Fund-raiser.

Mrs. Evergreen: Second.

Chair: It has been moved that we donate \$200 to the Girl Scouts of America's Cooking Challenge Fund-raiser.

*Anything new and not addressed by an officer or committee should be brought up under New Business.

Next month's Knowledge Base: TBD

Respectfully submitted,

Rhosebud Report

October 10, 2020

- September the Rhosebud girls dropped in to pick up their kits that included a giant two-sided chalkboard, chalk, markers, pumpkins, poster boards and snacks. Thank you to Soror King for the use of your office space. We now have 16 girls.
- My sister Desiree Rogers joined us from California. She is the Director of an after-school program for 150 students. She was my technical advisor as I am still learning Zoom and she has been running their program from home since May 2020.
- The girls(11 on the call) had their first virtual meeting of the 2020-2021 season with me as Ms. Candy Corn. The girls were given pumpkins to design with Laila Campbell 1st place and 2nd place to Lyric Temple.
- They were also asked to make a sign encouraging their parents, family and friends to get out and vote. Then cover their faces with the sign and post on FB.

- The girls are having a coin war. The money collect will go to support March of Dimes and St. Jude. The Rhosebuds that collect the most money will determine what type of year end celebration May 2021. If you see the girls give them some coins to add to their jars.
- Rhosebuds were asked to donate one baby item to help Soror Kharisma McMurray with her baskets for young moms. Soror Groves will be donating 5 no-sew blankets provided by Indiana University Health.
- The girls are collecting bottle caps for their future project.
- Next meeting November 14, 2020 Mad Science

September 19th, 2020

Due to the Pandemic and current guidelines put into place to ensure that we all remain safe and healthy; our 2020 National Projects will look slightly different than in times before. It is my goal to implement the Projects because of the Voice of the Chapter while being ever mindful of the need to be flexible while still moving within regulations.

This year we will focus our efforts with our Local Community Service Committee, Under Graduate Chapters, as well as other Committees within the Chapter.

Current Project: Operation Big Bookbag "Educators' Covid-Care Kits"

Messages have been sent via Messenger/Email to 25 teachers that have been identified. 9 of the 25 teachers have responded and decided and/or have already picked up their Covid-Care Kits. After the 22nd of this month, the non-claimed kits will be given to Essential workers in other fields.

Project Cradle Care: In collaboration with our Under-Graduate Chapters (Gamma Zeta, Mu Chapter, Alpha Chapter, and Beta Beta as well as Epsilon Gamma Chapter (Purdue University) we will be collecting household items, clothing, cleaning supplies, etc., Our Under-Graduate Chapters need our support to provide 5 baskets to Project Home Indy. This is an organization that provides support and resources for pregnant or parenting teen moms and their families. We will compile a list of the needs from each Undergraduate Chapter as each basket will represent one or two of our Founders. The goal will be to have each Advisor get with their Chapter and send me the list by October 22nd. We will collect donations until November 9th, as the day to drop off the baskets is November 12th. This will allow us 2 weeks to gather the necessary supplies to help complete the baskets. If you have any additional questions, please let me know.

Gamma Zeta (IUPUI, UIndy, Martin, Marian University) will be doing Founders Cubena McClure and Bessie Mae Downey Rhoades Martin.

Mu Chapter (Ball State) will be doing Founders Nannie Mae Gahn Johnson and Hattie Mae Annette Dulin Redford.

Alpha Chapter (Bulter) will be doing Mary Lou Allison Gardener Little.

Beta Beta Chapter (Indiana State University) will be doing Dorothy Hanley Whiteside.

Epsilon Gamma Chapter (Purdue University) will be doing Vivian Irene White Marbury.

Sisterly Sigma Circles

It's finally time to unveil our **inaugural Sisterly Sigma Circles!** As you will notice, the twenty (20) **Sisterly Sigma Circles** are diverse and cut across so many different SGRho experiences and journeys. The Circle assignments have been designed with both intentionality and a level of randomness. For example:

- Circle size does not exceed ten (10)
- No more than one Life Member assigned per Circle
- Include recently reactivated Sorors across all Circles
- Spread out recent graduates that have matriculated to Alpha Sigma
- Mix up Sorority tenure across the Circles
- Minimize the number of Sorors in a Circle that were inducted together
- Once the above steps were exhausted, utilize the Financial Sorors list to ensure every Soror has been assigned to a Circle

As a reminder, the rules of engagement are simple: 1) Be Sisterly, 2) Connect and Communicate, and 3) Have Fun! We hope that you will make a conscious decision to engage in helping our Alpha Sigma Sorors strengthen and deepen our Sisterly bonds! Many of our Committee Leaders are ready to launch a number of fun challenges and we'll have our first challenge during the upcoming Chapter meeting - - which you don't want to miss!

If you are ready to begin connecting with the Sorors in your **Sisterly Sigma Circle**, here's what we need from you:

1. Review the "Circle Assignments" attachment and find your name. You will also be able to see all of the Soror names that comprise your **Sisterly Sigma Circle**. If by chance you do not see your name assigned to one of the **Sisterly Sigma Circles**, please contact me right away so that we can remedy the oversight.

Sisterly Sigma Circles

2. Review the attached "Rules of Engagement" for the **Sisterly Sigma Circles** and begin to think about ways that you can get connected.
3. Get ready to Be Sisterly, Connect and Communicate, and Have Fun!

In the event you do not want to be part of a **Sisterly Sigma Circle** at this time, you have every right to "opt out". If this is an option you would like to exercise, please do so by completing the Google Form (<https://forms.gle/pBuGubKFKk3hi45Y8>) no later than Sat., October 30th.

If you have any questions, please do not hesitate to reach out! I can't wait to see just how much we pour into one another as we work on **"Building Our Sisterhood for the Future"**.

Sisterly,

Sorors Brandi McGrady & Shelli Jones

Sisterly Sigma Circles

There are three simple goals:

- The Circle composition will be diverse based on various factors
- Oversight and support will be provided by Committee Members and they will serve as Captains
- Each Circle will be asked to create a unique and creative name
- Each Circle will define how often they want to engage and how these connections will occur
- We will host fun competitions and celebrate one another during Chapter meetings
- The various committees will launch fun challenges
- All activities will be rooted in Sisterhood, Scholarship, and Service
