## Message from the Membership Chair...

As I go into my second year as the Anti-Basileus/Membership Chair for the 2019-20 sorority year my priority was to increase reactivation, create ways to reach out to Sorors to reclaim them and to recruit a talented class of new members while also providing training and development opportunities for our sisterhood. Although most of my Sorors call me "EXTRA" I believe I am creative, always looking outside of the book bringing in a different and innovative passion to our chapter. It is important to me to offer my key strengths in this role to provide new opportunities while also supporting the foundation that has been created in the past. The membership committee has been an amazing team and even though I work them extremely hard, they keep me on my toes and grounded. In July we took the time to put forth our goals for the 2019-20 R3 initiatives. We wanted to provide personal and professional opportunities for Alpha Sigma, while also creating fun events that were inclusive and high spirited. Please note we could not do this without your support Sorors. I also thank each executive board leader for your dedication to supporting the programs created by this committee and engaging with me on this journey. Take the time to reflect on your own journey. You still have time to be innovative, join a committee, get to know a Soror that you are unfamiliar with, sit somewhere different at chapter and support our community service, local programs, health and membership events. The sorority year is almost over so lets go out with a BANG AS!

## **Rhosebud Report**

**February 15, 2020**

**Co-Advisors:** Stephanie Groves and Nancy Rogers

**Committee:** Daphne Gilmore, Alexis Holland, Nikita King, Latoya Wilson and Cathy Woodard

Today we had a special treat. Our program was run by soror Nikita King's daughter Rhosebud Moriah King. Moriah was teaching the girls how to make dreamcatchers that come from the Native American culture. It is a handmade object based on a hoop (traditionally of willow), incorporating a loose net and decorated with items such as beads and feathers. Native American Indians believe that if hung over the bed, it acts like a filter and dreams pass through the catcher. The bad dreams are caught in the net and the good one pass through to the dreamer.

- *It means to give you life for another night as you sleep in the darkness. It means you will always return to the light*

Moriah was assisted by her big brother and sister-in-law. After finishing their project, the girls were given an assignment. Genealogy forms were given to each young lady. With the help of their parents they are to add several generations to the form and find report back one story about a relative in their family.

### Current Project:

March 28<sup>th</sup> - Youth Symposium Theme: "Elevating Our Youth: Civically, Socially and Physically."

As the committee continues to work in preparation for another successful Youth Symposium, we know that we cannot do it without the help of the entire Chapter. We currently have 5 areas that we need Sorors to assist with. We are also going to be reaching out to some of you to assist with facilitating some of the remaining topics of discussions and special projects.

### Upcoming Project: March for Babies eCampaign

Sigma Gamma Rho is a national March for Babies team, in support of our partner, the March of Dimes. We help babies by raising funds which can be used to sponsor research, medical services and support to families with premature birth. Through this partnership, the sorority focuses on our H3-Healthy Generations. March for Babies was started as a part of the sorority signature project, Project Reassurances. SIGMAS and affiliates across the country March for Babies in walk-a-thons which are scheduled in the spring of the year. The listed Walk for Indianapolis, IN is June 6<sup>th</sup>, 2020.

As we wait for the Walk for Babies on June 6<sup>th</sup>, we will participate by doing an eCampaign. We will send the link via email to everyone. We are encouraging all members and affiliates to participate and I challenge each Soror to raise at least \$19.22 during our campaign.

We want to make sure that as we plan to attend Boule and host Centennial, we are being recognized with our great efforts by supporting our Partnerships.

### Events that we will support:

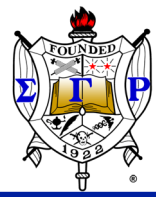

**2/17/20 Sigma Gamma Rho at the Indiana Statehouse**

Duffel Bags for Foster Youth.

### Events on the Horizon:

**Regional Conference March 11<sup>th</sup>-March 15<sup>th</sup>, 2020 Louisville, Kentucky:** We are currently waiting to see if there will be a call for items to be brought to help support the initiatives for the Community Service projects.

- Thank you to all those who supported Project Cradle Care. We could supply The Ronald McDonald House with a generous amount of donations. We also had 23 volunteers for this day of service. Please make sure that you are logging all your Community Service hours.

**Your efforts continue to make this journey easier for me as I continue to navigate my way through.**

Greetings Sorors,

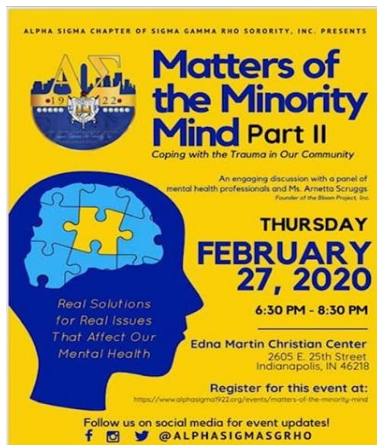

The Health & Wellness Committee is excited for 2020, we are focused to do more than a resolution that last only a few days. We will continue to inspire and motivate through our initiatives of: Mental Health Awareness, Physical Fitness, and Health Consciousness through Social Media.

Our first 2020 Webinar was on January 24, 2020; Women’s Health and Wellness – The Role of Nutrition in Achieving Health, Strength, and Wellness was a **SUCCESS**. If you missed it, please contact Soror Lolita Campbell if you like to review the PowerPoint.

Please don’t forget to register for our next event ~ **Matters of the Minority Mind part II** panel discussion. If you attended last year you know how great this event was. We are looking forward to a great event this year as well! Let’s support our amazing Sorors and our guest speaker Ms. Arnetta Scruggs.
