WELCOME LETTER

Greetings Sorors,

*Thank you for placing your confidence in me as your Basileus for 2020-2022. I am thrilled to have this opportunity to lead this **Chapter of Champions!** As your Basileus, I am committed to ensure we focus on: 1) building and repairing sisterly relationships, 2) optimizing our talent now and for the future, 3) strengthening our scholarship giving, and 4) engaging in sustainable service and social action.*

In the welcome packet, I encourage you to become reacquainted with our mission and vision. Please visit <https://www.sgrho1922.org/> to review the values statement, as this should be your commitment to the sorority and each other as Sorors. You will also see the results of the chapter survey, which represents the **Voice of the Chapter**. Your feedback will continue to shape how we prioritize the important work of Sigma Gamma Rho Sorority, Inc., as a unified Alpha Sigma family.

To say that this is an unprecedented time would be an understatement. Now more than ever, we need to truly unlock the benefits of our sisterhood by pulling closer together and playing “the part of a true sister”. One way that we will accomplish this goal is with the launch of our signature program, **Sisterly Sigma Circles!** Details of this program will be shared during our first chapter meeting on Saturday, September 19th.

This year, our chapter theme will be **“Building Our Sisterhood for the Future”**. I invite each of you to bring your talents, your time, and your treasures to help Alpha Sigma achieve our **GREATER** purpose of Sisterhood, Scholarship, and Service. Our leadership team is already hard at work planning and building our calendar for this sorority year. I know that we will continue to face uncertainties, but I stand with complete confidence that our leadership team is ready to be of service to each of you. We are all committed to “Level Up” and march steadily toward Centennial in 2022 and beyond!

Our destiny awaits and it is my sincere hope that you are as excited as I am about the opportunity we have together, to create something uniquely special in our Alpha Sigma family.

In Sisterly Love,

Soror Karin Sarratt

ANTI-BASILEUS WELCOME LETTER

Greetings and Welcome to the 2020-2021 Sorority Year. We are less than two years from Centennial and I hope that you are excited to continue the legacy of Love for Sisterhood, Scholarship and Service that our founders and past leaders have set forth. I am honored and ecstatic to serve as the Anti-Basileus for this chapter of spectacular, hardworking and dedicated women.

As the world has been shaken up with Covid-19 along with consistent bouts of racial injustice at the hands of police officers, we are in a very difficult time where we need each other now more than ever. Things will be a bit different in this new virtual world, but as Sigma's always do, we must adapt and we will continue to make you proud to be a member of this chapter and we will continue to serve our community.

RETENTION and **RECLAMATION** are at the forefront of my goals list. Growth cannot be achieved with attrition. It is inevitable that each and every one of you return home. There is potential in every member of our chapter and while we each are very different, each member benefits the chapter in her own way. It is important that we provide benefits to you as members. The membership committee's focus will be centered on ways for the chapter to bond and engage with each other to strengthen our Sisterhood, to grow the members professionally and personally, and continuing to engage our community through service, impact, and visibility

I know the decision to return to Sigma can be stressful and exciting at the same time. Let's work together as a chapter to **RECLAIM** and bring our sisters home and back into the Alpha Sigma Chapter family with a warm welcome. I am looking forward to launch our chapter's reclamation campaign **REIGNITE 22**, which has an emphasis on reclaiming 22 Sorors by March of 2021. Together Alpha Sigma, we can do this. In addition, please **SAVE THE DATE** for the **Alpha Sigma Round-Up** for our inactive Sorors, new Sorors to the Area, and our recent graduates. This event will be on **Saturday, September 26th**. Please be on the lookout for more information regarding REIGNITE 22 and the Sigma Round- Up.

Lastly, **RECRUITMENT** is still an action item and is important for the growth of our chapter. We will continue to identify and become familiar with diverse and talented women in the community who can add value to our chapter and Sigma Gamma Rho as a whole.

I am looking forward to all of the exciting things to come for Alpha Sigma Chapter. I welcome any feedback, questions, concerns, solutions, and recommendations for the advancement of the business of the Alpha Sigma Chapter. It is a GREAT time to be a Sigma Woman!

Yours in Sisterhood and Service!

1ST ANTI-BASILEUS WELCOME LETTER

Greetings Sorors,

It is with great pleasure that I welcome you into the 2020-2021 sorority year. I am ecstatic to serve as your 1st Anti-Basileus. Although we are faced with many challenges and restrictions this year, I believe this is a year that we will form a closer bond not only within our members, but also establish a closer relationship within the community we serve. Rather than letting this pandemic cripple us, we as a chapter should establish stronger connections with our undergraduate chapters by supporting their virtual events and community service initiatives.

It is imperative that our support is stronger and greater than ever this year. Sorors, I challenge you to support each undergraduate chapter by posting on their chapter's social media accounts, sharing their flyers, sharing their videos, and reaching out to an undergraduate Soror to just do a quick check in. A small gesture goes along way and they need to know that we are there for them and we are invested in them. Sorors let's continue to be Our Sister's Keeper!

Sisterly,

Soror Ti'Auna Williams
