1ST ANTI-BASILEUS WELCOME LETTER

"Once women find sisterhood, there's nothing stronger." ~Zoe Kravitz

Greeting Sorors:

I am elated to welcome you all into the 2020-2021 Sorority year! As we embark into this new sorority year we are going to be faced with many challenges due to the pandemic, but with challenges comes growth. I am excited to serve as your 1st Anti-Basileus. As I go into this sorority year my goal is to focus on "Building as ONE" through effective communication, leadership growth and partnership.

Although we will be challenged with restrictions with conducting on-campus programming it gives us the opportunity to take advantage of increasing our support to the undergraduates by being present at their virtual programs. Please be on the lookout for September events from each of the active undergraduate chapters as they kick off the new sorority year. Lastly, the Fall Undergraduate Summit is scheduled to take place on September 12th. More details will be provided.
