Audit Report Follow-Up: The appointed audit committee convened and reviewed the financial records for 2018-2020 sorority years provided by our Chapter Grammateus and Chapter Tamiochus. The audit report sent to the financial membership on June 20, 2020. The report includes committee findings and recommendations moving forward with future audits and financial processing.

Special thank you to our financial team Soror Carla Clark and Soror Jennifer Clayton and the audit committee Soror Lolita Campbell and Soror Marian Turner for your flexibility and due diligence to ensure that this review and audit was completed and shared with the body in a timely manner.

2020 Virtual Boule Updates: A virtual platform is being established to allow Virtual Boule registrants to participate in critical business matters including the election of National officers. Virtual Boule Dates: July 10-11, 2020. [2020 Boule Proposed Amendments](#) (PDF version) This document is posted on the members only section of the sorority national website.

2020 Central Region Virtual Meeting Updates: Central Region Virtual Meeting was held on June 17-21. This was the first time that Central Region has hosted a virtual special meeting. Special thank you Central Region Syntaktes Delia Harris and the Central Region Board for your leadership in hosting this meeting and throughout our groundbreaking the 2018-2020 sorority term. Similar to our 2020 Virtual Boule, several sorors accepted nominations to serve but did not register for the conference by the deadline.

Special thanks to the Alpha Sigma delegates that served at the 2020 Central Region Special Meeting:

There are also opportunities for youth community organizations to host a table at this event and an invitation has been extended to the Alpha Sigma Rhoer Club. Please mark your calendars!

Sorority Meeting Transitions: Moving forward our new Basileus-Elect will be working towards transition her newly elected board. An executive decision was made to not hold a chapter meeting in July to allow current officers to break. The month of August will be used to transition of new officers before they formally report out in September.

Membership Committee updates:

- End of the Year survey results (a few stats):
 - ✓ 88.41% returning members responded to the survey with 11.59% reactivating – noted we need to add a new member category moving forward
 - ✓ 91.3% are definitely coming back during the 2020-22 sorority year with 1.45% or 1 Soror not returning
 - ✓ Sorors indicated monthly chapter meetings is primarily how they supported, the next category was via fundraisers, social events then membership committee events/workshops/seminars.
 - ✓ It seems as if most members would prefer to receive emails as your primary form of communication
 - ✓ Listed few comments from Sorors;
 - Substantial and Effective Community Service programs, prioritize scholarship efforts, transparency in the good and the bad and indifferent, better preparation so that there are not double programming
 - Cultivation of more unified sisterhood and spaced calendar planning
 - Opportunities for new members to learn and lead.
 - Provide new and creative activities that change to fit the diverse personalities of the chapter.
 - I have always been financial but the last couple of years I have not really done much more than pay dues. This is because I do not see the value as compared to the other community service efforts that I am involved in. I pay out of loyalty. I invest more in Sigma financially than the orgs that provide more return on investment so to speak. So ROI is important.
 - Though I think we do a great job as a chapter in providing events and in general operations, especially in comparison to other chapters, I think we are still trying to fit into a small chapter model. We are too big to continue to operate in the same manner as we did 15-20 years ago. Individual committees should not be expected to fund-raise for their own initiatives. The budget should be set based upon actual income and expense line items, and fund-raisers (and chapter assessments) should be realigned accordingly. I don't think we really see all of the income because Sorors are nickle and dimed for additional funds frequently throughout the year. We're now paying for Round Ups, the Classic breakfast, Club 22, and service donations in addition to Rhoer events, Philo support, etc. It's not balanced between the Sorors who are actually active and engaged versus those that only pay their dues, and occasionally support what they want to support. With that being said, fees for financial only Sorors should be higher than those of us who are actually actively paying out of pocket all year long to support all of the true activities of the chapter.
- This committee had to cancel all upcoming events until further notice however please be on the lookout for upcoming webinars prior to the end of the sorority year. The month of July is Legacy month, send your pictures of you and your legacy to alphasigma1922membership@gmail.com
- Upcoming events:
 - ✓ New Members & Mentor training webinars – Details coming soon
 - ✓ Alpha Sigma Virtual Round-Up – Details coming soon
 - ✓ Nominate a Graduate and donate to give back to the 2020 graduates during the summer. Please nominate your highschool/college graduate at
