“Sigma Line”

Sung by Delia Harris (A),
Alpha Sigma, Indianapolis, IN

Once I was sad, sad as could be
Striving to find the best sorority.
Not AKA, no ZPhiB
And never would I ever turn to DST.

Sigma line, Sigma line,
Get on board and join the Sigma line.

We didn't know which way to go
Until we heard of Sigma Gamma Rho
We got on board the Sigma line
And here we'll stay until the end of time.

Sigma line, Sigma line,
Get on board and join the Sigma line.

Sincerity and Sisterhood
Sigma's got that special quality that's good
Royal blue and gold, rubies and pearls
Are in the very heart of every Sigma Girl.

Sigma line, Sigma line,
Get on board and join the Sigma line.
Because the Sigma line, is oh so fine
Get on board and join the Sigma line
