## Overview

Applying for Life Membership is exciting and the sign of a milestone in your Sigma life. It signifies your financial dedication to Sigma Gamma Rho Sorority, Inc. and another opportunity to pledge your life long support. We are pleased to be able to experience this journey with you! It is our hope that this process will be comprehensive and pleasurable. In our quest to support your endeavor, please take note of our process.

## Eligibility

Applicant must be financial during the sorority year in which they are submitting their application. Associate Members and General Members are not eligible to apply for Life Membership. Applicants must have at least 10 years of financial dedication to be eligible for Life Membership.

## Research Process

This process consists of verifying the information communicated on the Life Membership application. For a more fluid process, please include the most accurate chapter names and dates in which financial membership was held. This process may take 2 to 4 weeks to complete. The process may be extended during peak seasons. There are some cases where additional information may be requested to better assist us with the accuracy of this process. The completion of this process will be signified with notification of approval or denial.
