Hello Sorors!

Just a few updates on some "happenings" in Alpha Chapter Land.

The school year started off great so far. Soror Strong is adjusting to her final year at Butler as well as her final year on the Basketball team after her injury. The Butler Women's Basketball team schedule has been put out. So, if anyone is interested in supporting, please see the schedule.

Big THANK YOU to all of the Sorors who came out and supported Block Party! The blue and gold was amazing and gauged a lot of new interest.

Study Tables have started. Due to the basketball practice schedule, it will, most likely be every other week.

Bad News: NO FALL T.O.R.C.H

Good News: Because we got so much interest and so many inquiries after Block Party, we will hold an informational this fall in order to gauge true interest. We currently have 4 young women who are definitely interested, but we do have some freshmen who have also expressed interest. So, this Fall the focus will be on programming and service and we will do TORCH very early Spring. We want our 7!!!

Planning for Breast Cancer Awareness:

Alpha Chapter is looking to partner with The Pink Ribbon Connection to hold a panel discussion on Breast Cancer Awareness. This will take place in October, just awaiting confirmation on the date from the organization.

Butler Alumnae Homecoming Shirts!

The chapter is looking to do a Butler Alumnae Homecoming shirt fundraiser. They did it in the past and wanted to try it again. Soror Long is currently working on seeing what type of response she can get from the alum to see if it would be something that they are interested in. Soror Strong is preparing the concept for approval.

Founder's Week of Events:

We are currently conceptualizing the week of events for Founder's week in November. The chapter is looking to program the week of November 11-15<sup>th</sup>. Although we are in the early stages, and the marketing is still being worked on, BUT, you can start saving dates:

Alpha Chapter Founder's Week 2019

**"Σhe Got Game"**

November 11: **"The Scrimmage"**- Informational

November 12: **"The All-Star Team"**- Founder's Re-Dedication (With AΣ)

November 13: **"Half Time"**- Karaoke/Game Night

November 14: **"DEFENSE!"**- Study Tables

November 15: **"The Assist"**- OBB Donation to Elementary School

Again, these are all tentative. Once everything has been confirmed, that marketing will go out.

Be on the lookout:

"Welcome Back 22" night. We are planing a date for all sorors to come out and support Soror Strong's return to the court. We are not fully clear on the date of the first home game she is going to be playing in, but once we find out we will let everyone know.

Challenges: The greatest challenge, not just for Alpha, is support. The Undergraduates really love it when sorors come out an support them. It makes a difference.

Strenghts: Although the chapter only has one member, Soror Strong has an amzing presence. She is the stregnth of this chapter. Not to mention, the footprint that Soror Long has left has allowed this chapter access to things that other NPHC orgs do not have. Because of that, Alpha has been afforded many opportunities to program on campus without restriction.

Soror Support: Alpha would like for the chapter to support as much as they can. In whatever capacity.

Thank you for engaging with me! ~ Soror Joshua

You can also find it at the direct link: [www.alphasigma1922.org/marketing](http://www.alphasigma1922.org/marketing) . Access is only available if you are logged into the site. If you do not have access to Sorors Only, please let me know.

### Event Photo Dropbox

The committee will also be trialing a way to collect and manage our photos! Searching through Facebook after an event is always quite the task. If you take photos at an event and would like to share them with the chapter, for history as well as possible chapter marketing purposes, please upload your pictures into the shared Google Drive Dropbox Folder. Thank you so much for your help with documenting our history, Sorors. Here is the link: [bit.ly/ASPhotoDropbox](http://bit.ly/ASPhotoDropbox)

FOR IMMEDIATE RELEASE

**INDIANAPOLIS ALUMNAE CHAPTER OF SIGMA GAMMA RHO SORORITY, INC.**  
**TO HOLD FREE COMMUNITY SWIM AND WATER SAFETY CLINIC**

**Indianapolis, IN September 1** - On Saturday, September 7th, 2019, 9 a.m. to 1 p.m., The Alpha Sigma Chapter of Sigma Gamma Rho Sorority, Inc., in partnership with The Boys and Girls Club of Indianapolis, will host #BeFitBeSafeBeASwimmer: Swim 1922 Swim & Water Safety Clinic at the Wheeler-Dowse Boys and Girls Club.

According to a recent national study conducted by the USA Swimming Foundation and the University of Memphis, 64 percent of African-American children and 45 percent of Hispanic children cannot swim. Sigma Gamma Rho has recognized this as a national epidemic and is working to affect change through community events that educate as well as empower youth of color when near bodies of water. As The Sorority continues to strengthen its partnership with USA Swimming, this will allow more opportunity to impact communities through water safety education and awareness.

Participants will get swim and water safety lessons from certified lifeguards, with activities based on ability and water comfort levels. Along with The Sorority's partnership with USA Swimming, we are also partnered with USA Track and Field: A Run, Jump, Throw workshop will be offered on the day of the event, along with the in-water activities. This active workshop will be led by Sterling Littlejohn and special Olympian guest, Wenda Vereen-Christopher.

The ladies of Sigma Gamma Rho Sorority, Inc. will be giving away prizes from both Healthplex and the YMCA. Light, healthy snacks will be provided to participants. This event is open to the public (ages 8 and up). For more information, or to register for this free community event, please visit [ASKAboutAS.tickettop.com/Clinic-Swim1922](http://ASKAboutAS.tickettop.com/Clinic-Swim1922).

### **\*\*Kathy’s Knowledge Base\*\***

**Unanimous Consent:** enables a motion to be adopted or some action to be taken without the necessity of having the chair state the questions on a motion and put the motion to a vote.

-Many times, within Alpha Sigma, it is used with regards to the Agenda and the Minutes.

Example:

A motion is in debate and the member has met her speaking time limit.

Member: “May I speak for an additional two minutes?”

Chair: Is there any objection to the member’s time being extended two minutes?”

Chair: (Pause for any objections)

Chair: The chair hears no objection, and the member’s time is extended two minutes.”

If there is an objection, then the chair must state the question on the motion and follow the motion process.

**Next month’s Knowledge Base:** Voting (Majority/2/3 etc.)

Respectfully submitted,

**Kathy Jones**
